## **Construction project begins on US Highway 83 between Bismarck and Wilton**

Construction has begun on US Highway 83 between Bismarck and Wilton. Work consists of surfacing of roadway on both the northbound and southbound lanes.

During construction:

- Speeds will be reduced
- Traffic will be reduced to one lane in each direction
- Flaggers may be present in the work area
- Motorists may experience brief delays

This project is expected to be completed by mid September.

The traveling public should use caution when driving through the construction zone. Motorists should allow extra distance between their vehicles and the vehicles in front of them, use extra caution and obey flaggers and posted signs.
